J&L INTERIORS PATHWAYS OF DESIGN SCHOLARSHIP -2023-

ABOUT THE J&L INTERIORS PATHWAYS OF DESIGN SCHOLARSHIP

Award-winning interior designers and longtime Loudoun County residents Julie Hoffmann and Lori DuVal are pleased to offer the 2023 J&L INTERIORS PATHWAYS OF DESIGN SCHOLARSHIP for an eligible graduating Loudoun County High School student interested in pursuing a professional career in the creative arts (art, architecture, design, photography, etc.) The J&L Interiors Pathways of Design Scholarship totals \$5,000 and will be awarded on an ongoing annual basis. The scholarship will help fund expenses for higher education learning to include trade schools and universities with a preferred interest in a study abroad immersive experience. It will allow the student to explore, discover and be inspired by the city's arts, culture, history, and more which - in turn - will nurture, cultivate and encourage the student in his or her own individual pathway toward a successful and rewarding career in the creative arts. The scholarship can be used for travel expenses, tuition expenses, books and lodging. The J&L Interiors Scholarship Committee invites applications to be submitted by March 28, 2023. It is anticipated that a winner will be selected and announced by the J&L Interiors Scholarship Committee in the early Spring.
